

**COMMISSION ON JUDICIAL NOMINEES EVALUATION**  
**Statistical Report**  
**2009-2011**

Presented in this report are the ratings of the Commission on Judicial Nominees Evaluation (JNE Commission) and the appointments by the Governor in response to those ratings for the years 2009-2011. The data for the years 2009 and 2010 are included for the purpose of comparison and to demonstrate a greater overview of ratings and appointments. Please be advised that the data comparing the three years may provide an inaccurate picture of appointments due to candidates who are evaluated in one year and may be appointed to the bench in a later year. Please note that the Commission had a reduced meeting schedule in 2011, due to the change in the Governor's administration. A full meeting schedule was resumed in 2012.

The JNE Commission rates candidates for judicial appointment as Exceptionally Well Qualified (EWQ), Well Qualified (WQ), Qualified (Q), and Not Qualified (NQ).
