Hi Leah.

Consensus section

#3 I don't think the "no changes be made" is consensus. Rather, I would frame it as there is consensus on certain changes in the matrix. Plus the minority wants the "at this time" qualification.

Minority

#2. Delete second sentence. Replace with "Further study of LSTFC size should be pursued."

Hello:

If you have not already done please submit any comments regarding the draft report to me today. I plan to post a summary of comments received, as well as the draft report, at 5 pm today. We will go over that summary, as well as any additional feedback you have, during our call on January 22.

Thank you,

Leah
