**SUBJECT:** Members' Requests for Adjustments to Fees and Penalties

---

## EXECUTIVE SUMMARY

Members may request that adjustments be made to their membership fees and penalties. Title Two, Rule 2.16 (H) of the Rules of the State Bar states that the Board reserves the right for good cause grant requests for waivers that were denied by staff and to consider all other requests for waivers. This item consolidates several member requests for which the Board's Member Liaisons have determined that good cause exists to recommend fee adjustments.

Board members with questions or concerns may contact Dina DiLoreto, 415/538-2121 or [dina.diloreto@calbar.ca.gov](mailto:dina.diloreto@calbar.ca.gov)

## BACKGROUND

Rule 2.16 of Title Two of the Rules of the State Bar of California provides for waiver of annual membership fees and penalties. Rule 2.16 (C) specifies three circumstances where staff may grant a member's request for waiver of up to \$1,000 in annual membership fees and penalties for the year in which they are due. These circumstances are that 1) the member serves full-time as a magistrate, commissioner, or referee for a state or federal court of record, 2) the member is a retired judge who accepts assignments from the Chief Justice in the assigned judges' program of the Administrative Office of the Courts, or 3) the member's total gross annual household income from all sources is \$20,000 or less, in which case the waiver is 50% of the annual membership fees.

Rule 2.16 (H) provides that the Board of Trustees reserves the right for good cause 1) to grant requests for waivers denied by staff and 2) to consider requests that fall outside of staff's authorization for granting a waiver of fees and penalties. Traditionally, Board members who are appointed as Member Liaisons have reviewed the waiver requests that come under Rule 2.16 (H) and have made recommendations to MOC and the Board of Trustees where the Liaisons determined that good cause exists to make fee adjustments.

In assessing what constitutes good cause for purposes of determining whether or not the Board of Trustees should grant a fee waiver, the member's justifications for a fee waiver should be weighed against the public policy reasons for imposing annual membership fees. The primary public policy reason for imposing State Bar membership fees is to provide funding for an effective attorney regulatory system that protects the public and eases the burdens on the courts. The system is funded **solely** through the imposition and collection of annual fees. For this reason, membership fee waivers should not be granted as a matter of course, but rather should be limited to extraordinary compelling, exigent situations where the member did not contribute to the cause of the failure to pay full fees.

## ISSUE

Do the Board Committee on Member Oversight (MOC) and the Board of Trustees agree with the recommendations of the Member Liaisons that good cause exists to grant the requests for fee adjustments for the State Bar member(s) listed below? MOC and the Board of Trustees may deny or agree **in whole** or **in part** with any of the recommendations.

## DISCUSSION

The following member(s) have requested adjustments to their annual State Bar membership fees. This list includes requests received in the latter half of the 2012 billing cycle, for 2012 fees, as well as requests received more recently for 2013 fees. Staff has reviewed these requests and established that they do not meet the qualifications for staff waivers (See Rule 2.16 (C)), or that the amounts are greater than \$1,000. The requests that are less than \$1,000 have been reviewed and denied by staff, and the member(s) have appealed to the Member Liaisons. The Liaisons have determined that good cause exists to recommend the adjustments.
