

COMMISSION ON JUDICIAL NOMINEES EVALUATION
Statistical Report
2011-2013

Presented in this report are the ratings of the Commission on Judicial Nominees Evaluation (JNE Commission) and the appointments by the Governor in response to those ratings for the years 2011-2013. The data for the years 2012 and 2013 are included for the purpose of comparison and to demonstrate a greater overview of ratings and appointments. Please be advised that the data comparing the three years may provide an inaccurate picture of appointments due to candidates who are evaluated in one year and may be appointed to the bench in a later year.

Please note that the five tables incorporate data from the statewide demographic report that the JNE Commission released on or before March 1st 2013 under California Government Code Section 12011.5(n).

The JNE Commission rates candidates for judicial appointment as Exceptionally Well Qualified (EWQ), Well Qualified (WQ), Qualified (Q), and Not Qualified (NQ).
