SUBJECT: Annual Recommendation to the Supreme Court for Expungement of Suspensions for Nonpayment of Fees in Accordance with Rule of Court 9.6 (b)

EXECUTIVE SUMMARY

California Rule of Court 9.6 (b) provides for an annual Board recommendation of expungement to the California Supreme Court of non-disciplinary suspensions within limited circumstances. Annually, there have been approximately 150 members who have one fee suspension that occurred more than 7 years ago, for 90 days or less, and who have no other record of suspension or involuntary inactive enrollment for discipline or otherwise. Pursuant to Rule 9.6(b), they are eligible for recommendation that the Supreme Court grant a one-time only expungement. If the Board approves the recommendation, a list of eligible members will be transmitted to the Supreme Court for its order of expungement.

BACKGROUND

California Rule of Court 9.6 (b) allows the State Bar to recommend a one-time only expungement of a State Bar of California member's record of fee suspension if all of the following conditions apply:

- 1) The member has not on any previous occasion obtained expungement under the terms of Rule 9.6(b);
- 2) The suspension was for 90 days or less;
- 3) The suspension ended at least seven years before the date of submission of member's name to the Supreme Court; and
- 4) The member has no other record of suspension or involuntary inactive enrollment for discipline or otherwise.

This year, State Bar staff has reviewed a list of approximately 170 members who qualify under the criteria of Rule 9.6 (b). The list has been extensively checked and a process has been developed to expunge these members' records, if approved.

ISSUE

Whether to recommend to the California Supreme Court the expungement of a one-time only suspension for nonpayment of membership fees from the records of members who meet the criteria listed in California Rule of Court 9.6(b).

DISCUSSION

If the Board decides to recommend expungement of eligible members' suspension for nonpayment of membership fees, State Bar staff will transmit the list of eligible members to the Supreme Court with a recommendation that each of these members' public record of suspension for nonpayment of membership fees be expunged. Upon issuance of the Court's order, eligible members will be notified by mail that such record has been expunged and a copy of the expungement order will be included.

Rule 9.6(c) requires that the State Bar of California maintain such internal records as are necessary to apply the terms of 9.6(b) of this rule and to report to appropriate governmental entities the member's eligibility for a judgeship under the California Constitution, article VI, section 15 which requires judicial nominees to report all suspensions within the last 10 years of their judicial application. State Bar staff has developed a process and protocol to meet this requirement. Rule 9.6(d) outlines the members' duty of disclosure under these circumstances.

FISCAL / PERSONNEL IMPACT

These actions were included in the 2014 budget and personnel planning; therefore, there will be no additional fiscal or personnel impact.

RULE AMENDMENTS

None.

BOARD BOOK IMPACT

None.
