OPEN SESSION

AGENDA ITEM

III.D. SEPTEMBER 2019

DATE: August 30, 2019

TO: Members, California Board of Legal Specialization

FROM: Amy C. Nuñez, Director, Office of Admissions

SUBJECT: Approval of Proposed Certification Revocations for Failure to Pay the 2019 Legal Specialization Program Annual Fee

SUMMARY

Staff provide the attached recommendations for revocation of certification for failure to pay the 2019 Legal Specialization Program Annual Fee (Attachment A).

BACKGROUND

The State Bar program for certifying legal specialists is entirely self-funded, and all fees support the testing, review, and public protection functions for consumers. Program fees include the legal specialization annual fee, which is due at the same time as general State Bar dues, February 1 of each year. Specialists who fail to pay their annual fees (general or legal specialization) by February 1, become subject to a late fee. Attorneys, and specialists, who fail to pay their general bar dues by the final payment deadline of July 1 have their licenses suspended administratively for failure to pay dues.

Program rules require certified specialists to make timely payments of required fees, and failure to pay may result in suspension of certification.

Reminders have been sent to specialists via letter and e-mail prior to the original and final deadline. As of August 30, 2019, 52 certified specialists still have a balance related to their legal specialization program annual dues.

DISCUSSION

Attachment A lists certified specialists who were due to remit payment of the 2019 Legal Specialization Program Annual Fee by the final payment deadline of July 1, 2019, but they still have a balance remaining and did not otherwise respond to any of Staff's communications.

Staff requests permission to send a final notice informing these certified specialists that if they do not remit payment of their balance, their certificate of specialization will be revoked. This would be consistent with past CBLS action taken with certified specialists who failed to pay the program annual dues.

RECOMMENDATION

It is recommended that the California Board of Legal Specialization approve the following motion:

MOVE, that those certified specialists listed on Attachment A are revoked for failure to pay legal specialization annual dues if no response to a final communication is received within thirty days.
