## Assets

The State Bar's total assets consist of cash, investments, accounts receivable, capital assets, OPEB plan asset and deferred outflows of resources. Total assets increased by \$18.4 million, from \$269.9 million at September 30, 2018 to \$288.3 million at September 30, 2019. Net position (total assets minus total liabilities) at September 30, 2019 was \$182.6 million, an increase of \$19.4 million compared to \$163.1 million in the prior year.

## Liabilities

The State Bar's total liabilities consist of accounts payable to vendors, unearned fees collected in advance, grants payable, net pension liabilities, the deferred inflows of resources related to pension, loans payable, and employee vacation and sick leave accruals. As of September 30, 2019, the State Bar's total liabilities were \$105.8 million, down by \$1 million compared to \$106.7 million at the third quarter of 2018. This decrease is due primarily to a decrease in pension liabilities and loans payable. Pension liabilities and deferred inflows of resources changed due to updated estimates of pension assets and liabilities from our actuaries.

## Net Position

Net position consists of restricted and unrestricted net position and investment in capital assets. The State Bar's total net position (total assets – total liabilities) as of September 30, 2019 was \$182.6 million, up by \$19.4 million or 11.9 percent compared to \$163.1 million last year.

Year-to-date through September 30, 2019, operating revenues were \$178.1 million, 32.7 percent better than the budget of \$134.2 million. Total operating expenses were \$134.2 million, at 95.8 percent of the \$140.0 million budget.

The table below provides budget to actual comparisons for select revenues and business units:

OPERATING REVENUE AND EXPENSES: ACTUAL TO BUDGET COMPARISON

Figure A. below summarizes the State Bar's financial position at the end of the third quarter of 2019, compared to the third quarter of 2018.

See attachments 1 and 2 for more detailed comparisons of the State Bar's financial position at September 30, 2018 versus September 30, 2019.<sup>1</sup>

## Revenue

Figures B and C compare budget to actuals for operating revenue, with Figure B presenting at the fund level and Figure C by revenue category. Overall, total revenue totaled \$180.2 million for the third quarter of 2019, \$33.3 million more than the budgeted total revenue of \$146.9 million.

The primary reason for this variance is that the Legal Services Trust Fund is earning higher than anticipated interest rates on Trust Fund monies.

See attachment 3 for a comparison of actuals for both operating revenue and operating expenses in the 2019 third quarter versus 2018 third quarter.

<sup>1</sup> note that totals for Figures and Attachments may vary depending on whether total revenue/expense is displayed as opposed to operating revenues and expense. See attachment 1, which displays operating and non-operating items, whereas Figure B below shows total revenue, to include both operating and non-operating.

### NonOperating Revenue

Nonoperating revenue consists of investment income, rental income and interest expense on loans. Investment income for Q3 2019 is \$3.5 million, \$2.5 million over budget.

### Expenses

The State Bar's third quarter 2019 operating expenses were \$134.2 million, compared to the budget of \$140.0 million. This variance includes \$2.7 million for Chief Trial Counsel, primarily due to vacancies. The 2019 budget for Chief Trial Counsel includes 256 positions, but the monthly average filled has been close to 240 for the first nine months.

Figures D and E summarize the State Bar's 2019 year-to-date operating expenses by fund, and by category, compared to the budget.

To: Members, Finance Committee  
Members, Board of Trustees

From: John Adams, Chief Financial Officer

Subject: Investment Report for the 3<sup>rd</sup> Quarter Ended September 30, 2019

---

Attached is the quarterly Investment Report for the State Bar of California as of September 30, 2019. The report is presented in a format that conforms to the investment policy adopted by the Board of Trustees. The State Bar's investment portfolio consists of fixed income securities and deposits with Wells Fargo Bank and with the State Treasurer's Local Agency Investment Fund (LAIF). As of September 30, 2019, the market value of the investment portfolio was \$134.5 million compared to \$99.6 million as of September 30, 2018.

This increase is due to:

1. Trust Account (IOLTA) revenue exceeding expenses to date by \$19.2 million, this is the result of increased interest rates paid on trust accounts.
2. Equal Access revenues are exceeding expenses by \$14.8 million as of September 30, this is just a timing difference for grant revenue and expenses.

The quarterly rate of return of the investment portfolio for this quarter is 2.44 percent. Interest rates are slightly higher in comparison to prior year, the quarterly interest rate on deposits in the LAIF increased from 2.16 percent for the quarter ended September 30, 2018 to 2.33 percent for the quarter ended September 30, 2019. For the fiscal year, actual investment earnings increased from \$1.77 million in 2018 to \$2.96 million.

The State Bar's investment strategy is to purchase bonds and hold them until maturity to realize the full value of the investment. Unrealized gains or losses in the portfolio would only be recognized if a security was sold before maturity. Temporary price changes or market value fluctuations in the portfolio of held-to-maturity securities are recorded in the State Bar's quarterly financials.
