OPEN SESSION

AGENDA ITEM

IV.C. DECEMBER 2019

DATE: December 9, 2019

TO: Members, California Board of Legal Specialization

FROM: Amy C. Nuñez, Director, Office of Admissions

SUBJECT: Approval of Proposed Certification Revocations for Failure to Recertify

SUMMARY

Staff provide the attached recommendations for revocation of certification for failure to file recertification applications (Attachment A).

BACKGROUND

Program rules require certified specialists to recertify on or before the conclusion of their five-year certification terms.

Reminders have been sent to specialists via e-mail prior to their certification end date. As of November 1, 2019, 198 certified specialists have not submitted their application for recertification as of their respective certification end date.

DISCUSSION

Attachment A lists certified specialists who were due to recertify on various dates through November 1, 2019, but they did not file applications for recertification and did not request extensions.

Staff requests permission to send a final notice informing these certified specialists that if they do not recertify, their certificate of specialization will be revoked. This would be consistent with past CBLS action taken with certified specialists who failed to recertify.

RECOMMENDATION

It is recommended that the California Board of Legal Specialization approve the following motion:

MOVE, that those certified specialists listed on Attachment A are revoked for failure to recertify if no response to a final communication is received within thirty days.
