**OPEN SESSION  
AGENDA ITEM  
JANUARY 2020  
COMMITTEE OF BAR EXAMINERS ITEM O-410**

**DATE:** January 31, 2020

**TO:** Members, Committee of Bar Examiners

**FROM:** Natalie Leonard, Principal Program Analyst, Office of Admissions

**SUBJECT:** Approval of 2019-2020 Educational Standards Goals

---

## **EXECUTIVE SUMMARY**

Below please find the goals related to educational standards.

---

1. Implement the rules and guidelines approved by the Committee of Bar Examiners and the Board of Trustees to create a path to accreditation for qualifying law schools offering online J.D. programs.

**Complete.**

2. Implement avenues of engagement with law schools by forming and coordinating the work of the Committee on State Bar Accredited and Registered Schools (CSBARS) and the Law School Council (LSC) and a new e-newsletter. Continue to host the Law School Assembly and Registrars' Meeting.

**Complete. Meetings commenced on April 22, 2019 for Law School Council and April 23, 2019 for CSBARS. Newsletters were issued in May 2019, August 2019 and, most recently, on December 4, 2019. The next issue will be sent just after the February Bar Examination.**

3. Review rules to: 1) create a modified "deemed accredited" status for law schools that earn accreditation from a regional accreditor and also meet specified State Bar responsibilities and disclosures; 2) ensure rules embody best practices in accreditation; 3) review major change guidelines as requested by the Committee.

**CSBARS reviewed the history of Accreditation in June and met in October to discuss Guiding Principles and Values. The Committee's received an update in December and CSBARS is editing proposed rules statements in January, 2020.**

4. Review applications for registration or accreditation of law schools, as well as petitions for major changes or waivers from existing registered and accredited schools.

**Applications will be presented to the Committee as they are received.**

5. Participate in the periodic inspection of prospective and current registered and accredited law schools. Consider reports of interim and periodic inspections of accredited and registered law schools and inspections performed in response to the issuance of Notices of Noncompliance; generally monitor the compliant operation of both California-accredited and registered law schools and the overall educational requirements for applicants seeking to qualify to take and pass the California Bar Examination.

**Ongoing. Taft University Law School was inspected in October 2019 and Oak Brook College of Law was inspected in 2020. The schools' reports are scheduled for presentation to the CBE in April 2020. It is anticipated that more periodic inspections will be scheduled for calendar year 2020.**

6. Support the State Bar's 2019 strategic initiatives related to law school diversity, retention and performance on the Bar examination.

**Ongoing. The State Bar recently finalized the new data collection categories, issued memorandum on data handling practices, and sent a survey to schools to determine how best to roll out this new data collection step in 2020.**

7. Continue to pursue mandatory accreditation for unaccredited law schools in accordance with the Rules and Guidelines approved by the Committee of Bar Examiners and the Board of Trustees.

**TBD.**
