## **OPEN SESSION AGENDA ITEM IV.C. SEPTEMBER 2020**

**DATE:** September 14, 2020

**TO:** Members, California Board of Legal Specialization

**FROM:** Amy C. Nuñez, Director, Office of Admissions

**SUBJECT:** Approval of Proposed Certification Revocations for Failure to Recertify

---

### **SUMMARY**

Staff provide the attached recommendations for revocation of certification for failure to file recertification applications (Attachment A).

---

### **BACKGROUND**

Program rules require certified specialists to recertify on or before the conclusion of their five-year certification terms.

Reminders have been sent to specialists via email through the Admissions Information Management System (AIMS) email service prior to, and after, their certification end date on the following schedule:

- Six months prior to certification end date
- Sixty days prior to certification end date
- Thirty days prior to certification end date
- Seven days after certification end date

In an effort to ensure contact with affected specialists, staff now also send an electronic reminder through the State Bar's email service 30 days after the certification end date.

## DISCUSSION

As of September 1, 2020, there are 79 certified specialists whose certification ended 90+ days ago, and have not submitted their application for recertification. Attachment A lists certified specialists who were due to recertify on varying dates through May 31 2020, but who failed to file applications for recertification and failed to request extensions. The following table provides a breakdown of those specialists by specialty area.

Specialty Area	# of Specialists Pending Recertification
Admiralty & Maritime Law	-
Appellate Law	2
Bankruptcy Law	1
Criminal Law	9
Estate Planning, Trust & Probate Law	8
Family Law	23
Franchise & Distribution Law	2
Immigration & Nationality Law	7
Legal Malpractice Law	-
Taxation Law	4
Workers' Compensation Law	23

Staff requests permission to send a final notice (via email and by mail) informing these certified specialists that if they do not recertify, their certificate of specialization will be revoked. This would be consistent with past CBLS action taken with certified specialists who failed to recertify.

## RECOMMENDATION

**It is recommended that the California Board of Legal Specialization approve the following motion:**

**MOVE**, that those certified specialists listed on Attachment A are revoked for failure to recertify if no response to a final communication is received within thirty days.
