OPEN SESSION AGENDA ITEM O-404 DECEMBER 2020 COMMITTEE OF BAR EXAMINERS

DATE: January 29, 2021

TO: Members, Committee of Bar Examiners

FROM: Natalie Leonard, Principal Program Analyst

SUBJECT: Report on 2020-2021 Educational Standards Goals

EXECUTIVE SUMMARY

Below the list of goals for Educational Standards for 2020-2021.

1. Maintain law school engagement by conducting meetings with the Committee on State Bar Accredited and Registered Schools (CSBARS) and the Law School Council (LSC), publishing the Law School Deans' eNewsletter, and hosting an annual Law School Assembly and Registrars' Meeting.

The Law School Council met on December 2 and next meets on April 21. CSBARS last met on January 27 and next meets on March 24. The Annual Registrars' Meeting and Law School Assembly were held online for the first time on December 9, with strong attendance, active participation, and positive feedback about the online format. The most recent quarterly Law School Deans' e-Newsletter is scheduled for distribution in January 2021.

2. Recommend a proposal to revise the Accredited Law School Rules to: 1) create a modified "jointly accredited" status for law schools that earn accreditation from a regional accreditor and also meet specified State Bar responsibilities and disclosures; 2) ensure rules embody best practices in accreditation; 3) address requests from the Committee.

The Board of Trustees [posted](#) the Committee's recommended Accredited Law School Rules for public comment through February 15, 2021. The CSBARS has begun a review of potential guidelines to accompany and interpret a new rule set when adopted.

3. Review petitions for registration and accreditation, as well as existing registered and accredited schools' petitions for changes.

Ongoing as received.

4. Regulate law schools by monitoring compliance through inspections, reporting, and other actions as directed by the Committee, addressing noncompliance as needed.

During this Committee year, at least seven law schools will be scheduled for periodic inspection.

Three law schools have been inspected pursuant to Notices of Noncompliance with Rule 4.160(N), the Minimum, Cumulative Five-Year Bar Exam Passage Rate.

5. Support the State Bar's strategic initiatives related to law school diversity, retention and performance on the Bar examination.

The State Bar has received data from all unaccredited and accredited law schools as part of the 2020 Annual Report templates collecting demographic and attrition data against these new categories. The data gathered from the new templates more readily compares with data at schools approved by the Council of the Section of Legal Education and Admissions to the Bar of the American Bar Association. Most schools returned their data by the deadline of November 16, and tabulation has begun.

6. Continue to pursue mandatory accreditation for unaccredited law schools in accordance with the Rules and Guidelines approved by the Committee of Bar Examiners and the Board of Trustees. Review the existing rules and guidelines to update them as necessary.
