OPEN SESSION AGENDA ITEM 50-2 SEPTEMBER 2022

DATE: September 22, 2022

TO: Members, Board of Trustees

FROM: Steve Mazer, Chief Administrative Officer

SUBJECT: Adoption of State Bar Court Judge Pay Schedule

EXECUTIVE SUMMARY

This item requests adoption of the State Bar Court judge pay schedule for state fiscal year 2022–2023 (retroactive to July 1, 2022), based on a notice of statutory judicial salaries issued by the California Department of Human Resources on July 19, 2022.

BACKGROUND

Salaries for State Bar Court judges are set by statute. Business and Professions Code sections 6079.1(d) and 6086.65(a) set the salaries for the State Bar Court presiding judge and Review Salaries for State Bar Court judges are set by statute. Business and Professions Code sections 6079.1(d) and 6086.65(a) set the salaries for the State Bar Court presiding judge and Review Department judges at the same salary as superior court judges, and the salary for State Bar Court Hearing Department judges at 91.3225 percent of the salary of superior court judges. Between July and October of each year, the California Department of Human Resources sends an Exempt Pay Letter to the State Controller's Office and the Judicial Council of California, providing notice of adjustments to judicial officer salaries for the fiscal year, effective retroactively to July 1. The State Bar updates the salaries for State Bar Court judges based on that pay letter. Occasionally, the California Department of Human Resources sends updates to the original Exempt Pay Letter for that fiscal year.

The process for establishing the salaries of California judges is provided in Government Code sections 68202 and 68203. The formula for calculating salary increases for judges is based on the average percentage salary increase for State of California employees, as determined by the California Department of Human Resources.

On July 19, 2022, the California Department of Human Resources issued an Exempt Pay Letter providing notice of a 1.8 percent increase to judicial officer salaries for state fiscal year 2022–2023. The attached pay schedule for State Bar Court judges reflects this statutory salary increase, effective July 1, 2022.

DISCUSSION

Government Code section 20636 requires that base pay rates must be set pursuant to publicly available pay schedules. California Code of Regulations section 570.5 clarifies the requirements of publicly available pay schedules, which include approval and adoption by the employer’s governing body. In addition, CalPERS has previously informed the State Bar that pay schedules for State Bar Court judges must be adopted by the Board in the same manner as those for regular employees, even though the judges’ salaries are set by statute, with the Board having no discretion over them. This agenda item satisfies this directive.
