Request for a Major Change

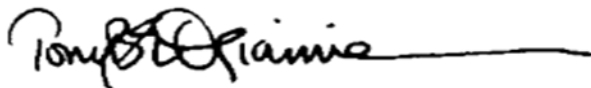

Dear Natalie Leonard,

We Request for a Major Change of ownership of American Heritage University School of Law (AHUSOL) from Robert Dabney to American Heritage University of Southern California (AHUSC) for the following reasons:

1. Robert Dabney has failed to respond to numerous communications either verbally or written to meet his financial obligations to AHUSC to take ownership of the law school. The contract agreement he entered with AHUSC was not fulfilled and therefore, it is null and void.
2. His refusal to respond to us is taken as a case of abandonment.
3. The law school has suffered immense financial setback resulting from his negligence to address this matter over a prolonged period.

Thank you for continuing courtesy and cooperation in advance.

Sincerely,

Professor Tony B. E. Ogamien, BSL., J.D., (Western State University) Ph.D. Law
(University of Essex, UK) Barrister-at- Law
