ADR: Annual Discipline Report (ADR) cases include the following case types:

- 9.20 Violations (State Bar Court Orders & Supreme Court Orders)
- Discipline in Other Jurisdiction
- Original Matters
- Probation Violations
- Repeal Violations
- RA cases (including Contempt Orders, Discipline by Other Licensing Agency, Insufficient Funds, Insurance Claim, Judgment, Multiple Lawsuits, Reversal of Judgment, & Sanction Orders)

Abated: Matters that are abated by OCTC or after filing in State Bar Court. This action is usually taken where there are other investigations or cases pending against a respondent and prosecution of those other complaints is likely to result in disbarment of the lawyer.

Backlog: Cases that failed to meet case processing time standards: 180 days for noncomplex cases and 365 days for complex cases. This dashboard provides the following 2 backlog metrics:

- **Closed Backlog Cases** - Cases that were closed during the reporting period that did not meet case processing time standards. This metric is reported in the Table SR-1B of the 2022 Annual Discipline Report (ADR).
- **Pending Backlog Cases** - Number of pending cases at the end of the reporting period that are older than the case processing time standards.

Case: An individual complaint, Office of Probation referral, State Bar initiated inquiry, reportable action, motion to enforce fee arbitration, motion to revoke probation, motion to terminate practice,* or motion to impose interim suspension or license restrictions (petitions pursuant to section 6007).

Caseload Clearance Rate: Ratio of the total number of cases closed to the total number of cases opened during the reporting period.

Case Inventory: Number of pending cases at the end of a reporting period. For example, the case inventory metric for 2023 Q1 provides the number of pending cases on 03/31/2023.

Complex: Cases are designated as complex based on the indicators below:

- Major case designation;
- Subpoenas for records to banks, courts, federal immigration officials, or another third-party entity;
- Numerous potential charges (often arising from multiple incidents) or numerous potential parties; or
- Respondent fails to provide information as requested within a reasonable time or at all.

Disciplinary Filings: Cases are filed in State Bar Court (SBC) via a Notice of Disciplinary Charges (NDC), Stipulations to Facts and Discipline, and Transmittal of Criminal Convictions. Cases in which an NDC is filed or information about a criminal conviction is transmitted that are later resolved by stipulation are only counted based on the initial filing in SBC.

Prior Discipline: See Attorney Discipline Definitions page [here](#).

Priority: Effective 07/01/2023, the case priority designations have been revised as follows:

- **P1 – Higher RPP** (previously P1). Includes cases in which the conduct in the case caused substantial harm, or posed a risk of potential substantial harm, to clients or the public. Higher RPP cases also include those in which the attorney is the subject of multiple pending complaints, or the current complaint is similar to one or more prior closed complaints, suggesting an increased risk that, absent disciplinary action, the attorney may continue to engage in misconduct.
- **P3 – Lower RPP** (previously P3): Cases that do not meet the criteria for higher RPP cases.
- **P2 – No longer in use:** Discontinued. Includes expedited cases opened prior to the recent changes. Now new cases aren't given a separate priority. They are tagged as "expedited" and also fall under "P1- Higher RPP", "P3 - Lower RPP" or "No Priority" categories.

Respondents with 15+ (or 40+) Complaints: Respondents with over 15 (or 40) complaints including all open complaints plus complaints closed during the preceding 5-year period starting from the report ending date. For example, the 2023 Q1 report counts closed cases during the 5-year period, 03/31/2018 - 03/31/2023.
